Phonics

Nursery children will be introduced to letter sounds early in the new year. To support parental understanding of how this is taught we will be inviting you to a phonics morning where we will go through the technical vocabulary we use to teach phonics as well as giving you the opportunity to observe groups of phonics teaching as well as exploring phonics games with your children.

HCPS EYFS Vision

We welcome children, families and the community.

Together we provide a wealth of first experiences to interest, engage & challenge our children. Supported by positive relationships we will develop confident and independent learners.

General Reminders...

Weekly contributions towards snack are appreciated. This allows us to go beyond the simple apple and pear to more adventurous healthy eating ideas.

Attendance is rewarded across school please help us reach our attendance targets by coming to school on time everyday.

Please do not hesitate to come in and ask questions if you have any.

During this topic we will visit a farm and begin to think about how animals need to be cared for. What do they need to survive? We will be talking about animals we have at home and possibly having a pet day in school.

TOPIC 2

The animals went in 2 by 2

In maths we will be focusing on counting and the accuracy of how we count larger groups of objects and then use this to support our problem solving. FS2 children will be using their knowledge of number to begin to double an half.

We will be exploring capacity and using language related to size.

We are going to be using stories about animals to develop our reading and writing skills. We will also be looking at information books to find out more about pets and animals from around the world.

Learning Journeys...

Please continue to engage with your child's learning journey. Your comments are really valuable and we use these to help us plan experiences for your children. We love to see what they have been doing at home and how they use their learning from school in real life contexts.

Thank you for your continued support –

Mrs Paddock, Miss Till, Miss Wilde ☺
