Sports Day

During the next term we will be practising our sports skills to prepare us for our sports days.

Nursery Sports Day-
Wednesday 7th June 1030am &
2pm

Class 1 & 2 Sports Day-
Wednesday 28th June 1:30pm
(Weather dependent)

HCPS EYFS Vision

We welcome children, families and the community.

Together we provide a wealth of first experiences to interest, engage & challenge our children. Supported by positive relationships we will develop confident and independent learners.

General Reminders...

Weekly contributions towards snack are appreciated. This allows us to go beyond the simple apple and pear to more adventurous healthy eating ideas.

Attendance is rewarded across school please help us reach our attendance targets by coming to school on time everyday.

Learning Journeys...

Please continue to engage with your child's learning journey. Your comments are really valuable and we use these to help us plan experiences for your children. We love to see what they have been doing at home and how they use their learning from school in real life contexts.

During this topic we will visit the theatre to explore the journey of a very tiny egg into a butterfly using the story "The Hungry Caterpillar."

In maths we will be focusing on counting and the accuracy of how we count larger groups of objects and then use this to support our problem solving. FS2 children will be using their knowledge of number to begin to solve practical problems.

TOPIC Journeys

We are going to be using stories by Eric Carle to inspire some of our work including "The Hungry Caterpillar" "A Tiny Seed" "Does a Kangaroo have a Mother too.?"

We will be exploring maps and imagining where these could take us. Using maps we may even go on some pirate adventures to explore the world!

Thank you for your continued support –

Mrs Paddock, Mrs Gregory Miss Till, Miss Wilde ☺
