

Term 1 September 2018

Newsletter

The more that you read, the more things you will know. The more you learn, the more places you'll go."— Dr. Seuss,

Please support us in raising the importance of sharing books and reading at home. The more you can share books with your child the better. In September your child will be provided with a reading log and they will bring home a picture book. This is for you to record any books that you share at home. We will also use these logs to communicate with you how we have supported the children's early reading in school.

HCPS EYFS Vision

We welcome children, families and the community.

Together we provide a wealth of first experiences to interest, engage & challenge our children. Supported by positive relationships we will develop confident and independent learners.

General Reminders...

Weekly contributions towards snack are appreciated. Please ensure that your child has a coat, book bag and wellies.

Attendance is rewarded across school please help us reach our attendance targets by coming to school on time everyday. Every child will have their own peg and drawer. Please do not hesitate to come in and ask questions if you have any.

In maths we will be focusing on counting and the accuracy of how to count with one to one correspondence. We will explore 2D shapes.

During this topic we will be talking about our families and what makes us special. The children will spend time getting to know their new friends and also their learning environment. We will talk about where we live and explore school.

TOPIC 1 Marvellous Me

We are going to be using traditional tales and stories about ourselves. The children will sing nursery rhymes and learn some new songs.

Learning Journeys...

The first few weeks are a really important time for us to get to know your children. During this time will be collecting evidence of the learning journey your children take part in. As communicated in the summer term parents meeting we will be using the online Early Essence system, it is important to us that you are all confident in using this and we will be advertising training sessions for you to come to so you can be introduced to how easy it is!

Thank you for your continued support –

Miss Wilde and Miss Lawton 😊
