

WILD LIFE PROTECTION

WE NEED TO PROTECT ANIMALS

What can we Do!
our community could make more shelters around the UK to help (and save more dying animals).
We could send the message for more people to keep animals as pets or have more people having jobs for animal care.

Animals going extinct

Giant otter	Amur leopard
Dhole/type of fox	Polar Bear
giraffe	Other

What can I DO!
Set up a charity fund raise to help animals have better lives.

Fun facts
• 56 billion farmed animals are killed a year which that's alot more to see this we could kill less and breed more

Dhole facts
Family: Canidae
Scientific name: *Cuo alpinus*
Did you know: Dholes maintain a very large home range.

SAVE THE PANIDA
