

Routines and
behaviours to help
keep us safe at HCPS

Welcome back!

- Although school will look different, we are so excited to welcome you back! We have missed you so much!
- We will be doing our best to have fun in the classrooms and outside.
- We have some routines that will help keep us all safe while having fun.

Class Bubbles

- We will work with a class bubble of no more than 15 pupils
- We will stay together with our bubble throughout the school day including break and lunch times
- We will stay within our own classroom to do our learning
- We have changed our classroom so you each will have your own desk
- In EYFS each bubble will have their own area of provision

Class Bubbles

Each bubble has their own icon.
If you see your bubbles icon, that means you are allowed to go into that space.

Class Bubbles

Your class bubble is:

My Bubble

- In the circle, introduce yourself to everybody that is in your bubble. This will be your bubble for the next few weeks and you will spend lots of time together doing fun activities.

Keeping safe when moving around school

When moving around school we will:

- Walk on the left side of the corridor
- Walk in single file

In school our bubble will have it's own classroom, space in the dinner hall and our own outside area just for us. It is a space just for us and anybody outside of our bubble cannot come in (they have their own space.)

Cloakrooms and toilets

- We will keep our coats on the back of our chairs in the classroom
- All you need to bring to school is a water bottle and a packed lunch (if you have one.)
- Each bubble will have their own designated toilet/s
- If you need to use the toilet, ask an adult and follow their instructions
- Our toilet is: (show or tell children where your designated toilet is)

Lunchtimes

- Lunchtime will last an hour
- Your lunchtime slot is:
- Each bubble will have a their own place and time in the hall to eat their dinner
- Each bubble will have time outside on the playground in their designated area to on the playground and field /wooded area
- You may bring a packed lunch or chose from a hot menu
- You must stay in your seats in the dinner hall
- You will be spaced out appropriately when collecting your dinner
- There will be no salad or snack bar
- You will have your one adult with you at dinner time that will stay with your class bubble

Playtimes

- Each bubble will have their own place to play outside
- You can only play with the children in your bubble
- You will stay on the playground at break times. If you need help, ask an adult on the playground.
- There will be play equipment in your area. You can only use this and not go out of your bubble to get different equipment.
- Wet playtimes will take place in the classroom for your bubble

How can we keep each other safe in school?

- To keep each other safe we won't be able to hug or touch each other.
- What other things could we do to say hello and be kind to our friends?

How can we keep each other safe in school?

Some of the other things we could do are:

- Smile
- Wave
- Copy
- Make each other laugh
- Play alongside each other

What can we do to help stop spreading viruses?

Do:

- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- Put used tissues in the bin immediately
- Wash your hands with soap and water often
- If you feel unwell, tell an adult straight away

Don't:

- Do not touch your eyes, nose or mouth if your hands are not clean
- Do not cough or sneeze in the direction of another person
- Do not touch door handles or light switches (doors should be kept open all day)

The thumbs

The tips of the fingers

Do you have any questions for your adults?

- We want school to be as safe as possible, but still have lots of fun.
- If you have any questions ask your teachers and they will be able to help you.
